the individual is . . .

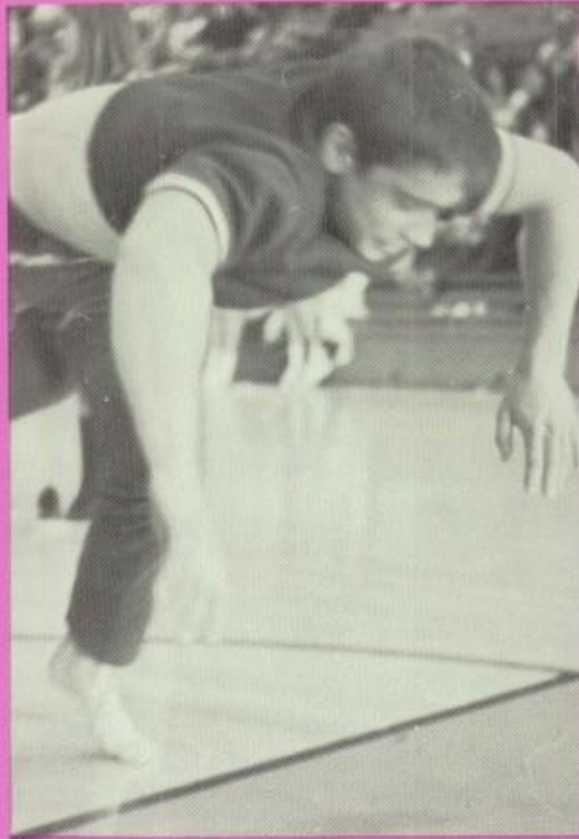

he exists and is keenly aware that he does.

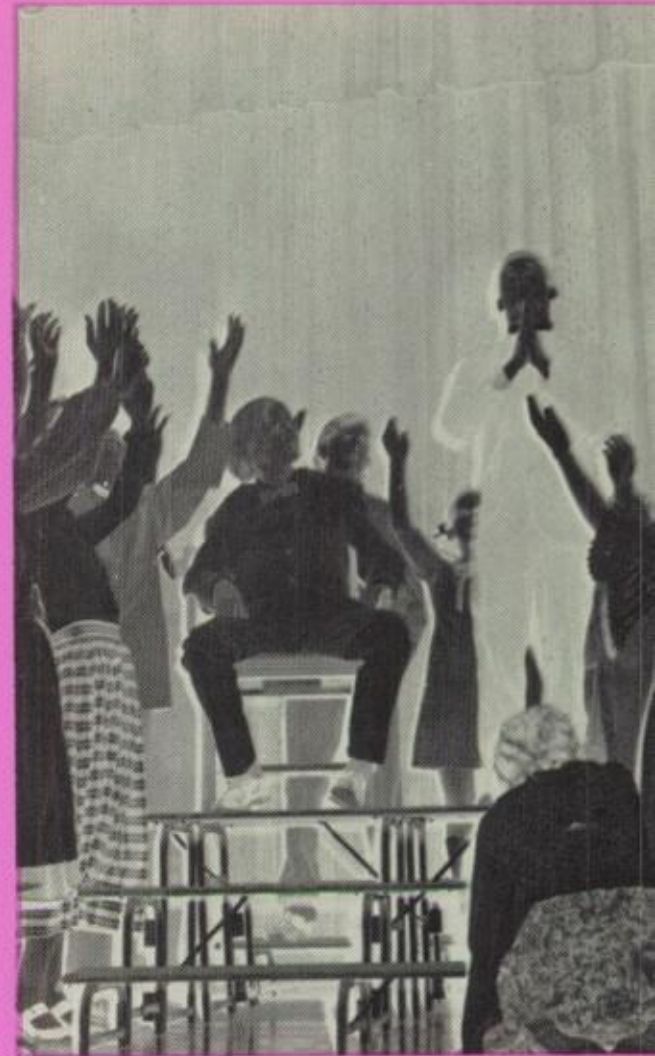

he is constantly

seeking,

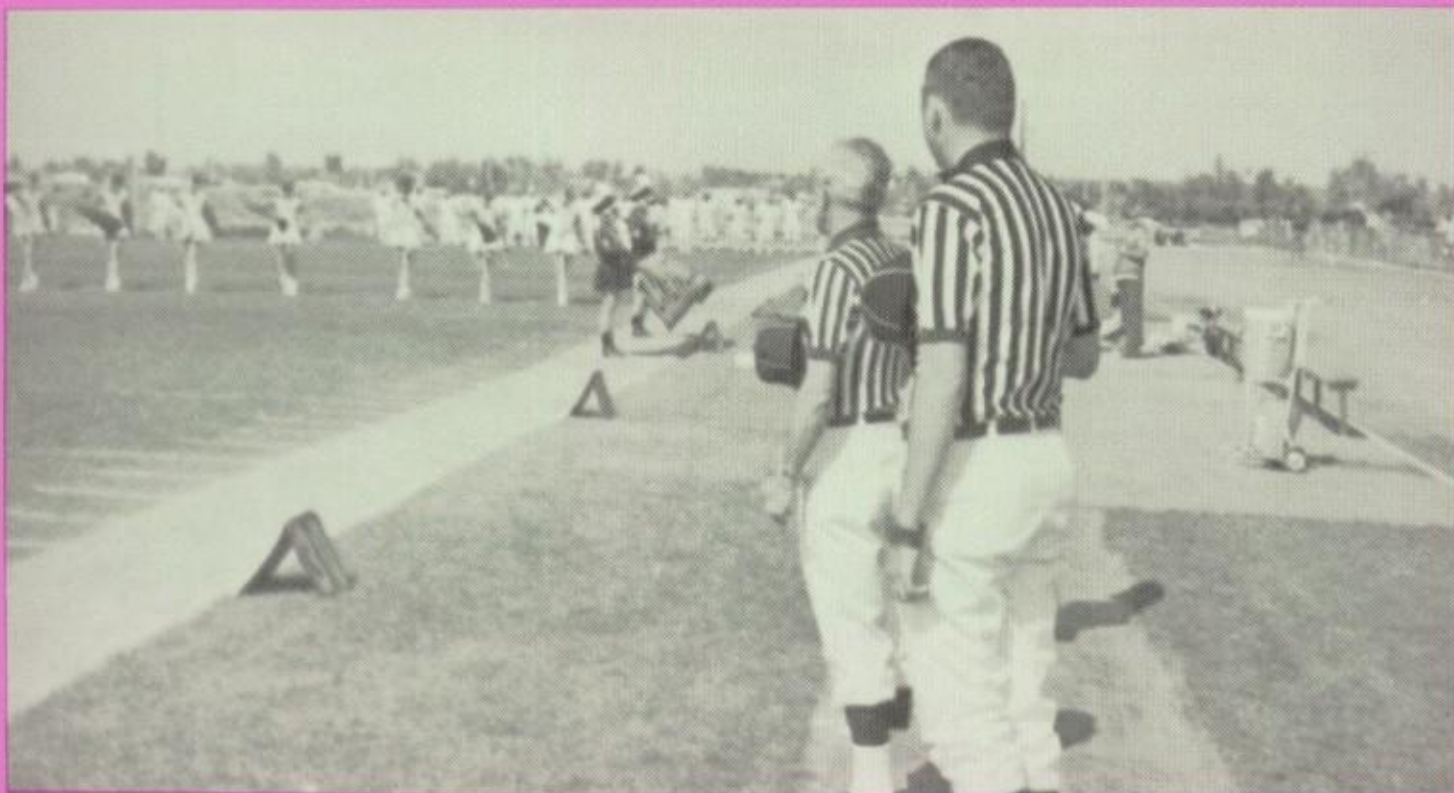

reaching,

expressing.

he doesn't need to prove he matters,

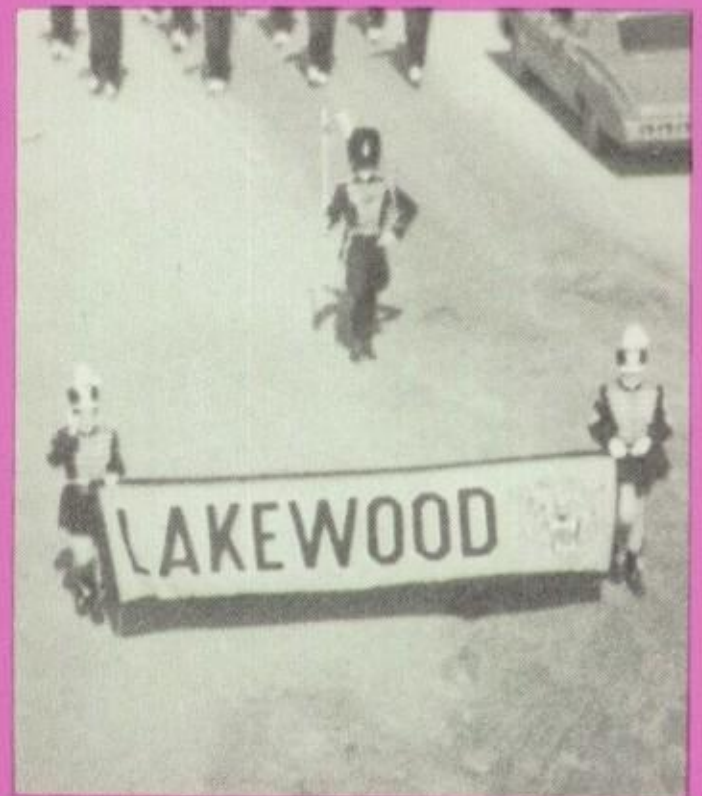

he does.

his mind is a kaleidoscope.

it is colorful and changing.

when he cries . . . it matters,

when he laughs and

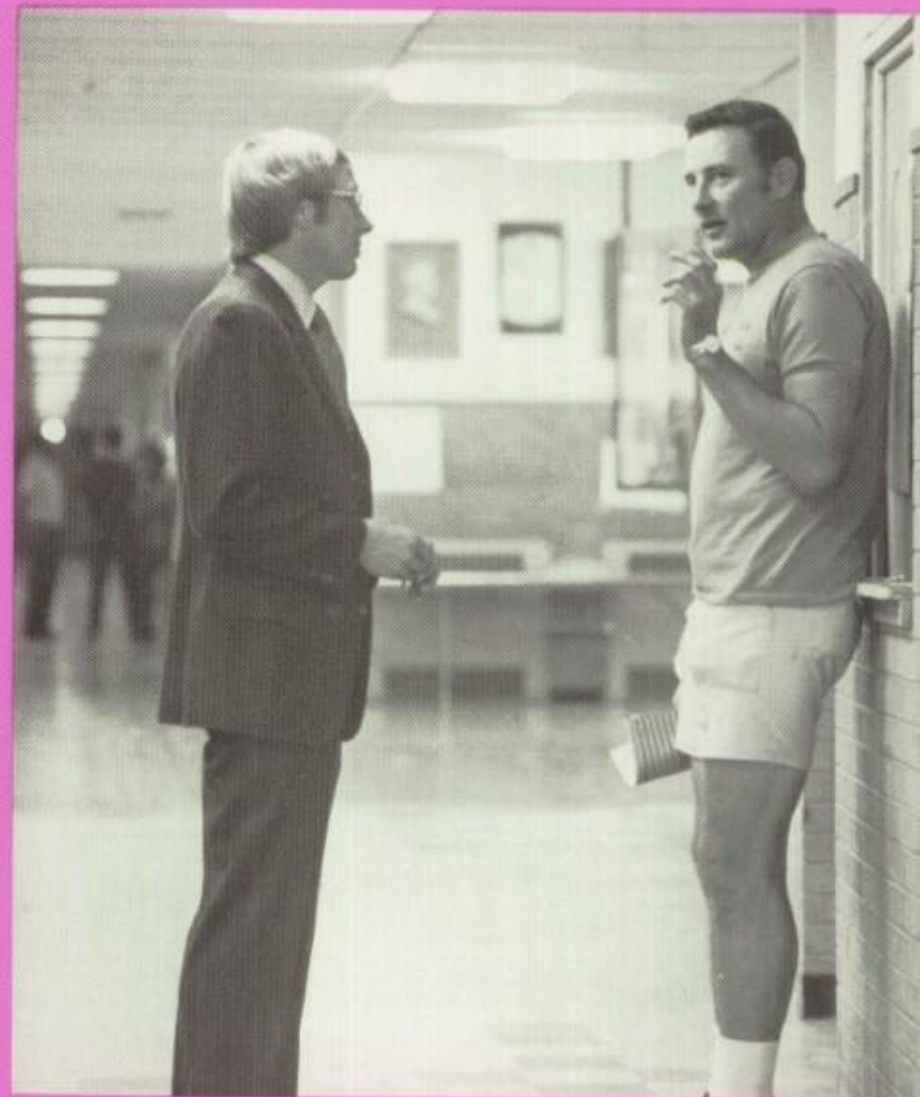

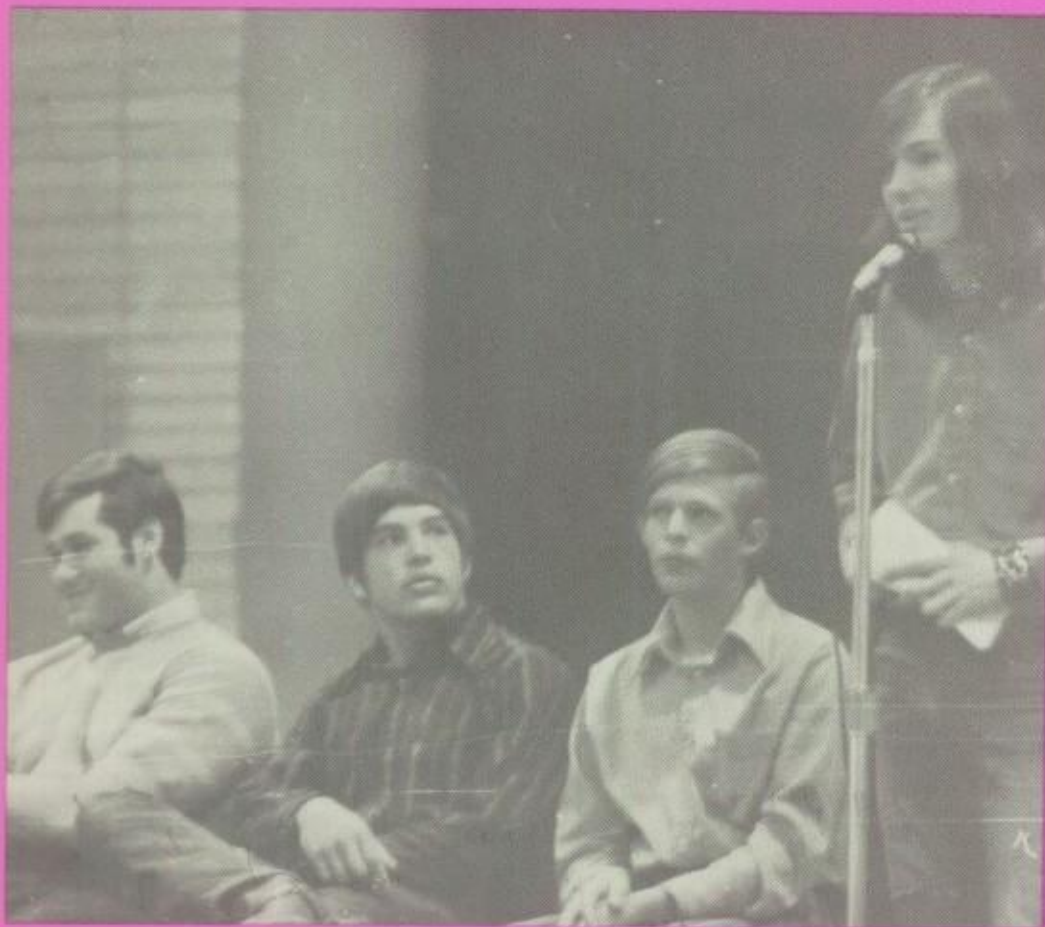

sings . . . it matters.

when he speaks, he does not whisper.

he
speaks
loudly.

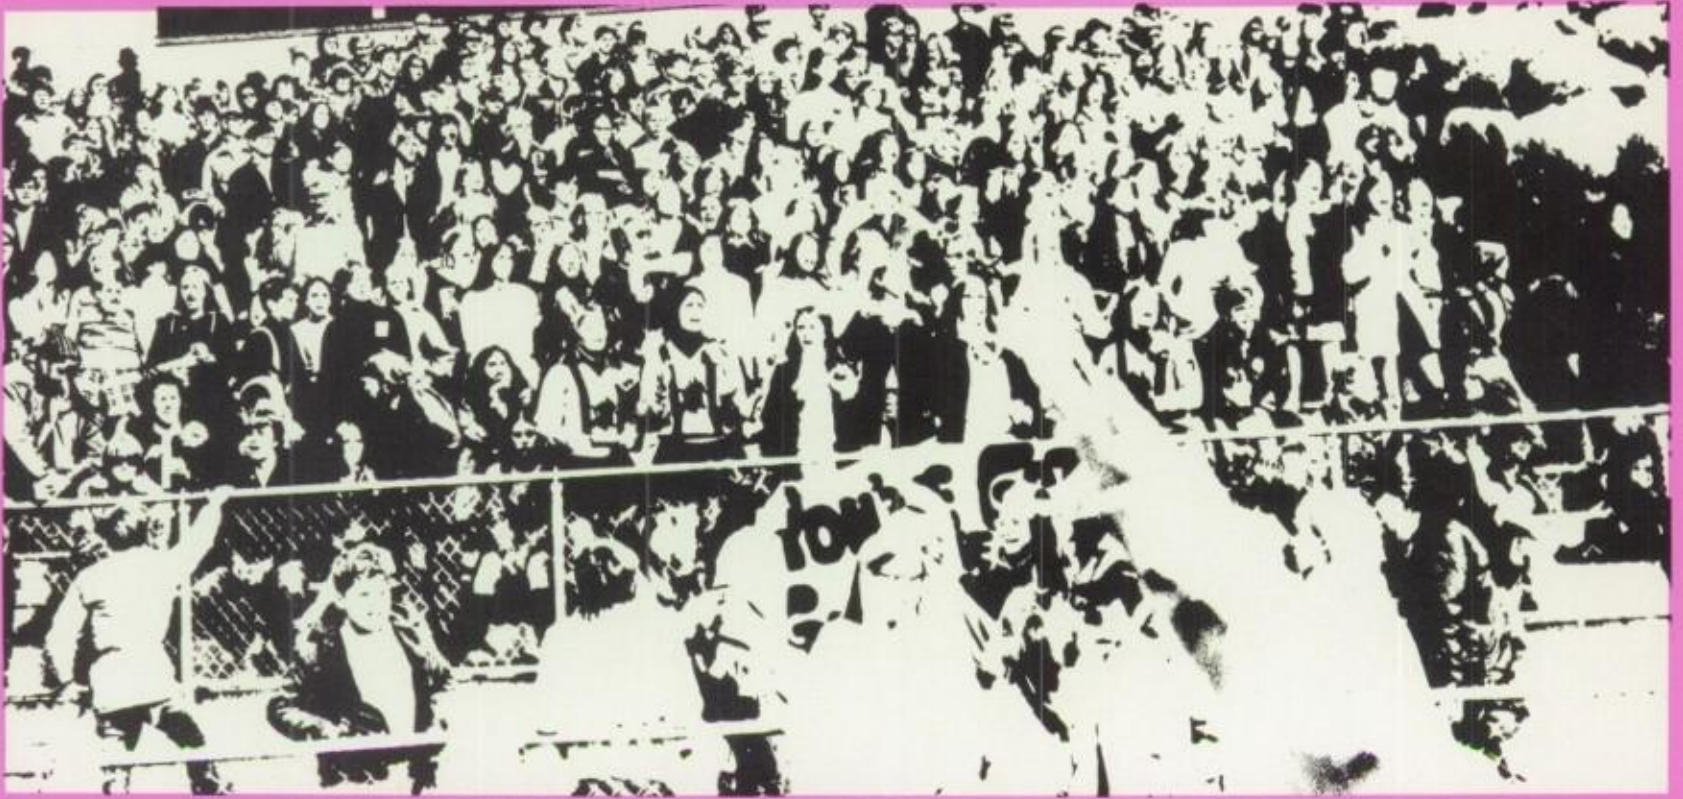

and because he does . . .

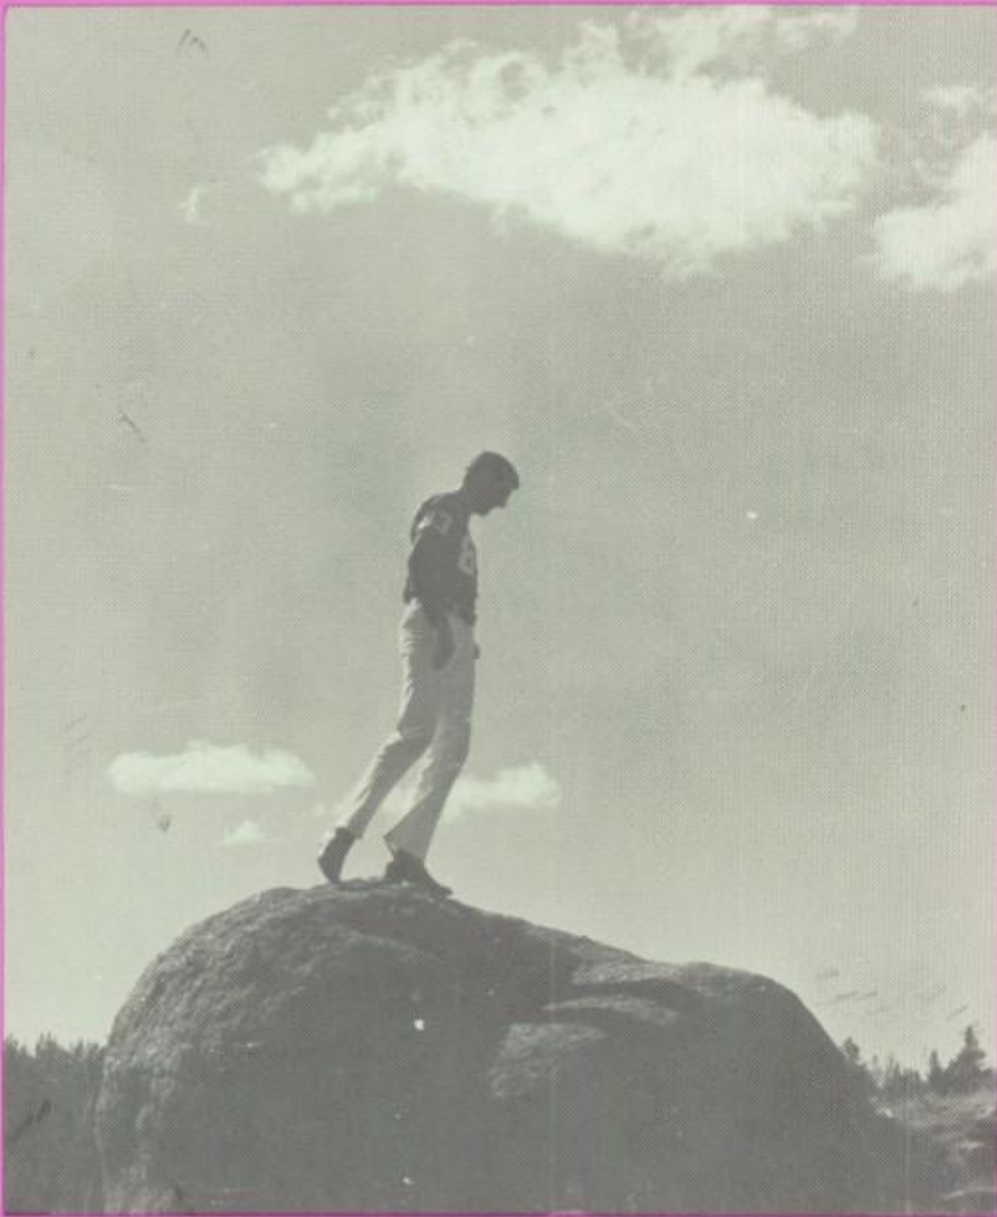

people listen.

within you there is a world.

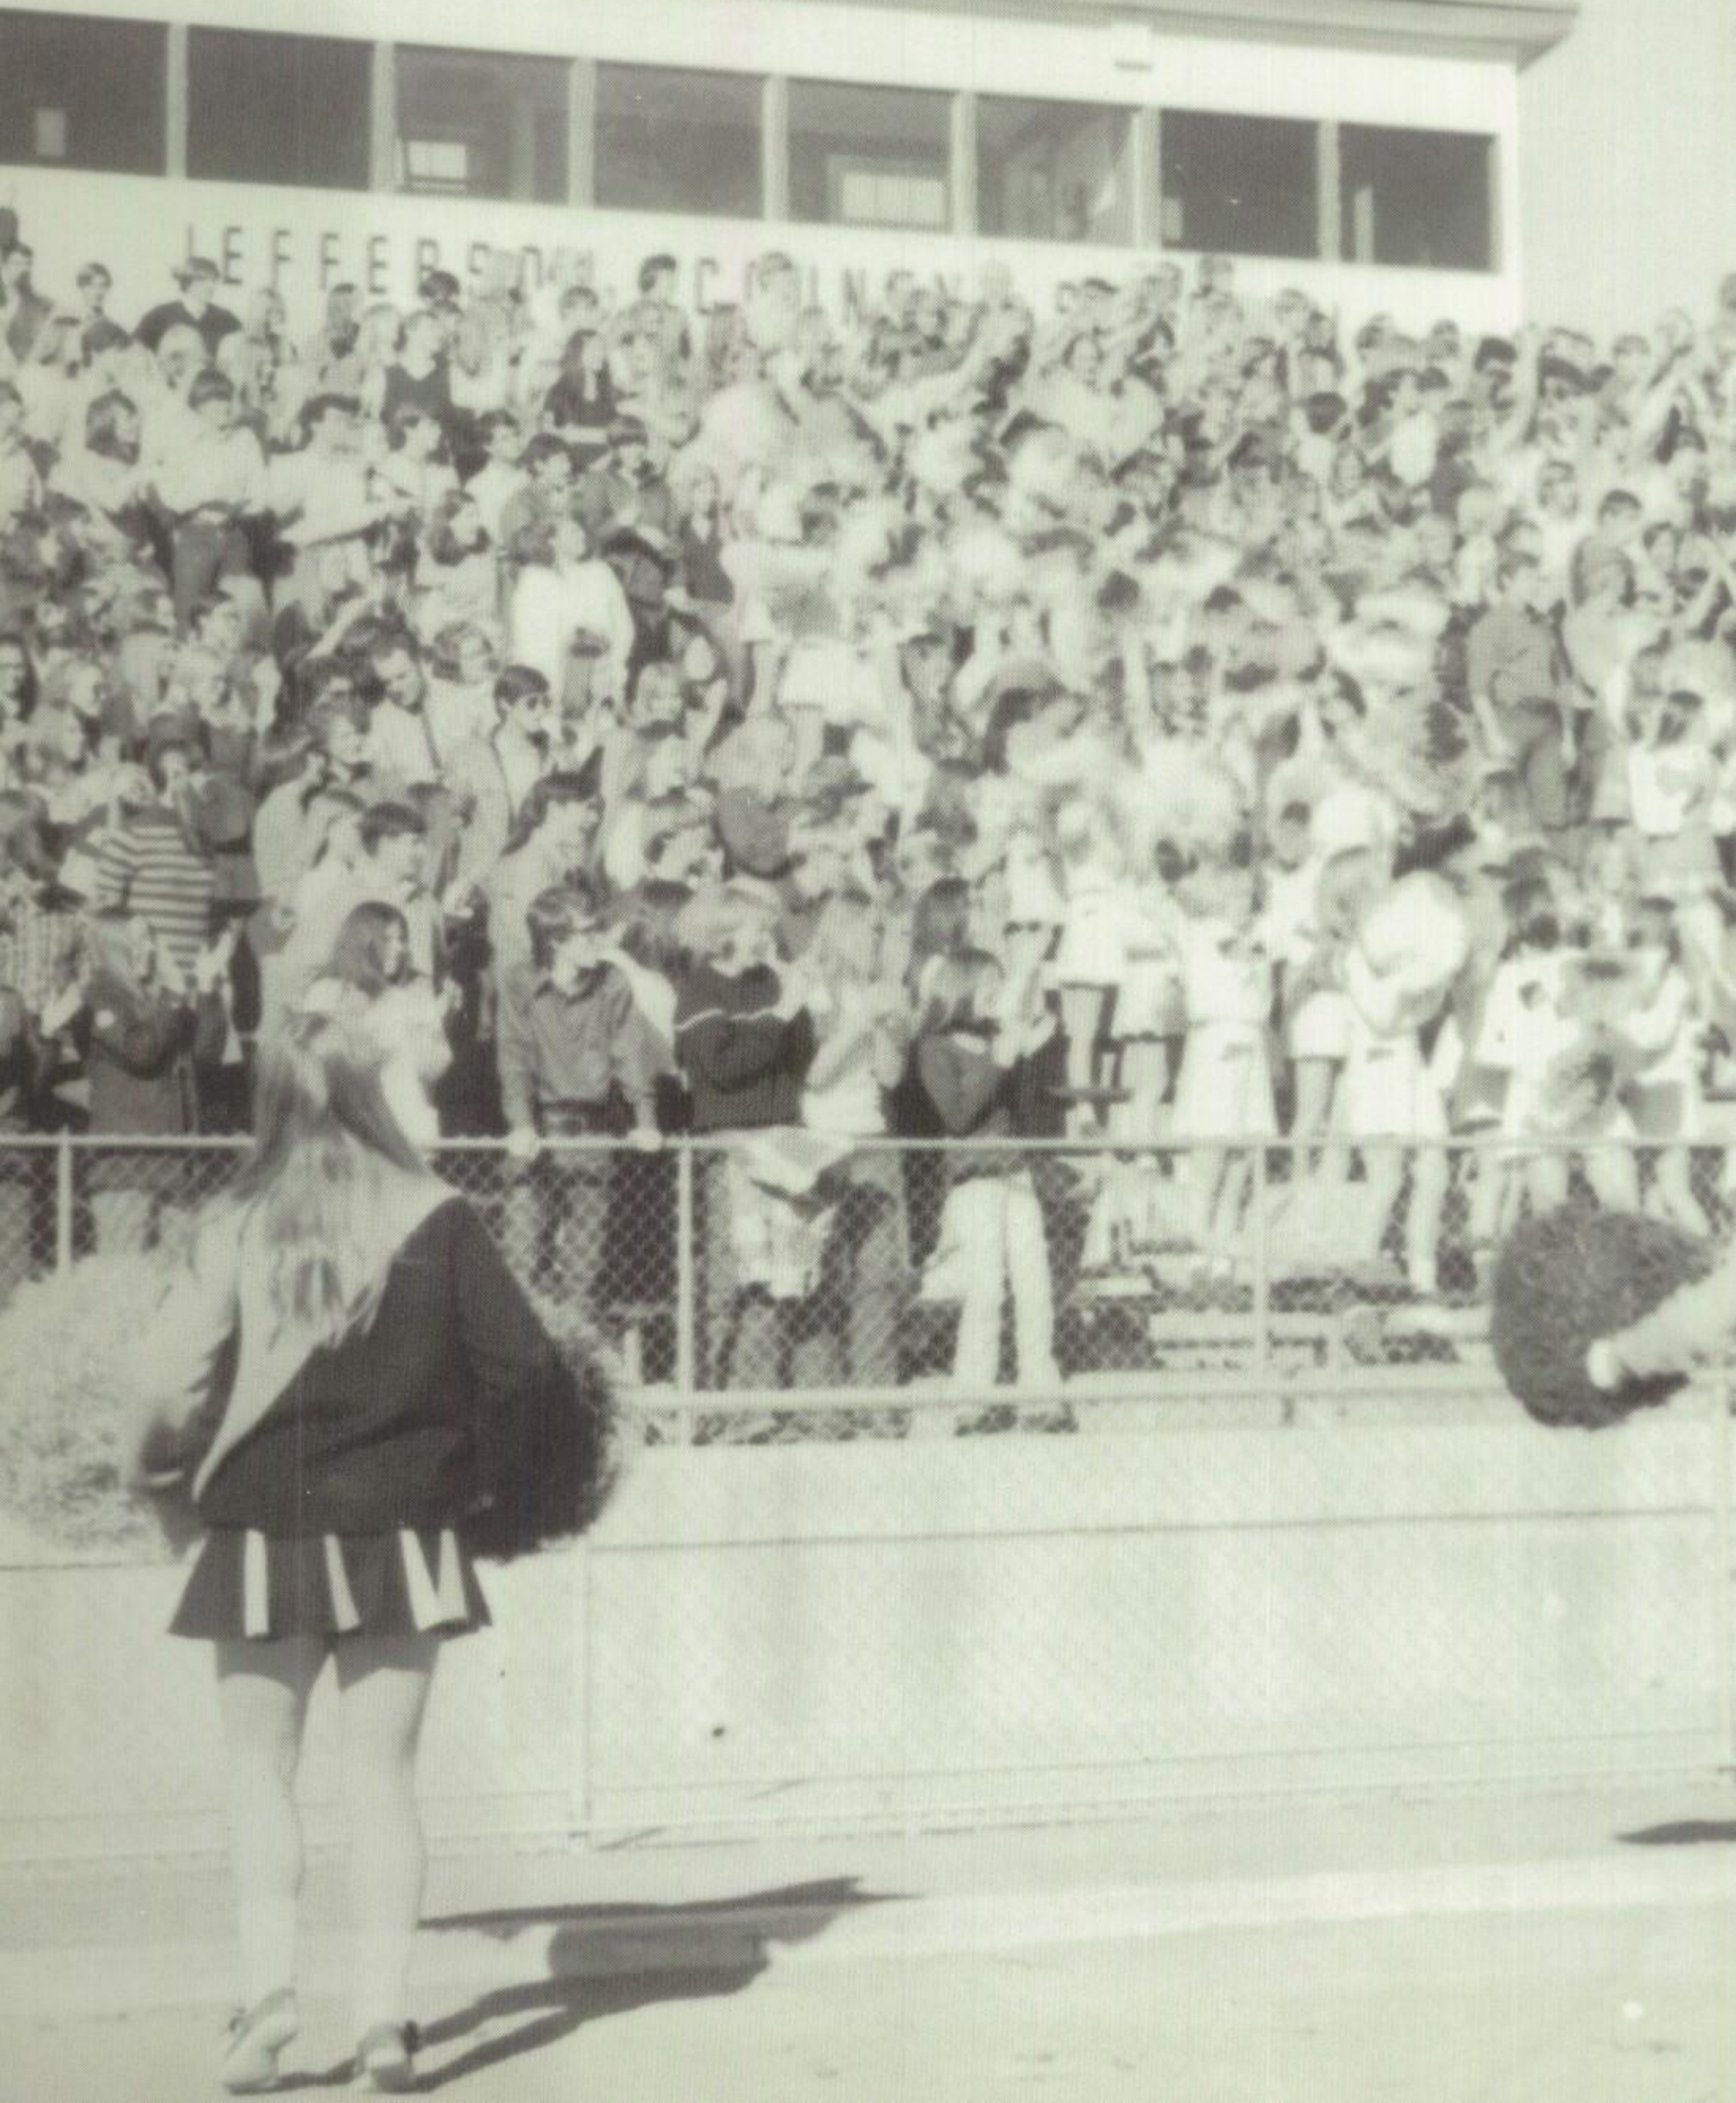

when you realize that,

you are an individual.

Boy's Noise

The spirit of the school really pepped up this year with the help of the Rowdies. This group, composed only of boys, led by Dan Melsen (football) and John Usrey (basketball) added a touch of spark to all sports this year. Having their own assembly this year really helped to boost the morale of the entire school. We thank all the guys who participated and hope that the Rowdies will continue through the years.

Long ago in the days of yore
A guy named Thespis opened the door.
He stepped from a nudare chorus of
Greeks
And lifted his proud little head to
speak.
Since his time the ranks have swelled
Of actors and actresses with stories
to tell;
Of Comedy, tragedy, and in between,
Of painting sets and creating scenes.
Now we combine learning
With fellowship and fun
And smart remarks for everyone.
This is how it all began
Now try and figure us out if you can!!!

Several times during the winter months, the ski club goes to the beautiful Colorado mountains to enjoy the fresh mountain snow and even to do a little skiing. Who knows! There may even be a few good skiers around Lakewood.

Student Exchange

Mr. McPhee, sponsor

Student Exchange consists of juniors and seniors who were chosen to participate in an exchange with another school within the United States.

To raise money this year, each exchangee sold stationery, candy bars, and candy clusters. Along with this, several times out of the year the proceeds from the concession stand went to help out. This year Lakewood visited the East Coast.

Tennis

This year the tennis team, coached by Mr. Ahlquist, finished the season with a 2 to 6 record. The outstanding player of the season was junior Garry Adams playing 1st Singles. He placed 1st in District and went to the State Tennis Tournament in Boulder. With a total score of 18 points, the Lakewood Tennis Team placed 4th in District.

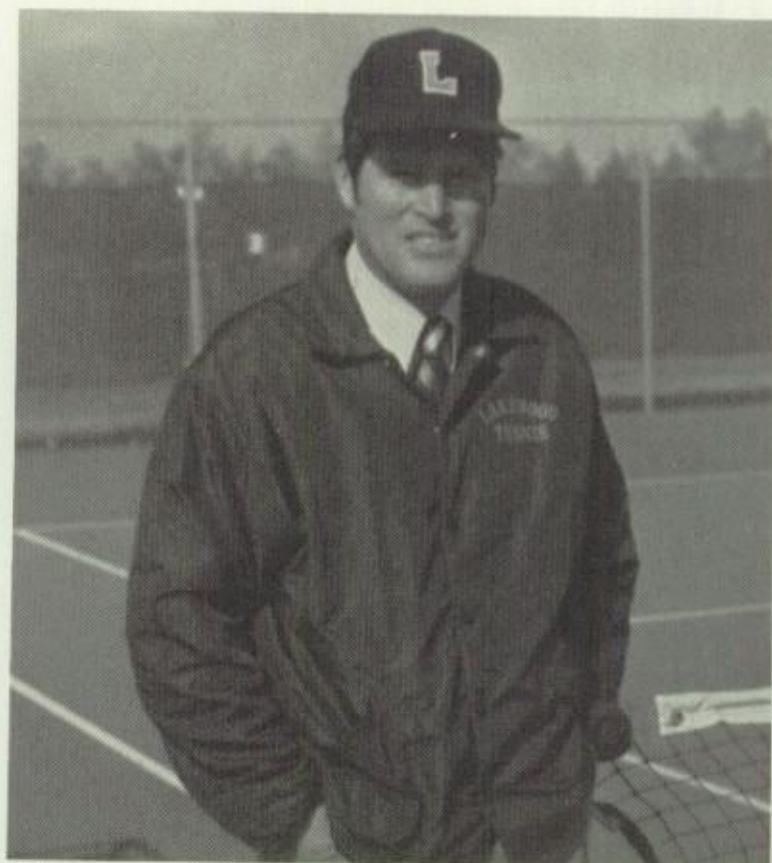

Garry Adams was the only team member who made it to the State Playoffs.

"I'm glad that we could qualify at least one player for state."

This year our Cross Country team, coached by Mr. Conroy, started off late in the season, but showed their talent by placing third in the County and eighth in the District. Senior Marty Botham placed first in the County Meet, broke a record while placing first in the District Meet, and went on to the State Meet in Boulder to place ninth.

Girls Gymnastics

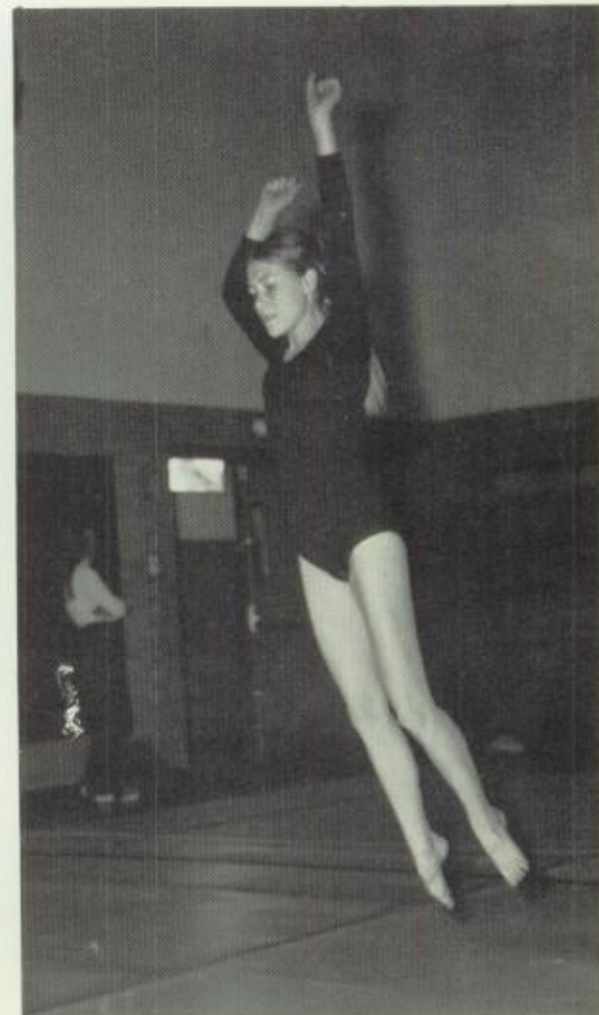

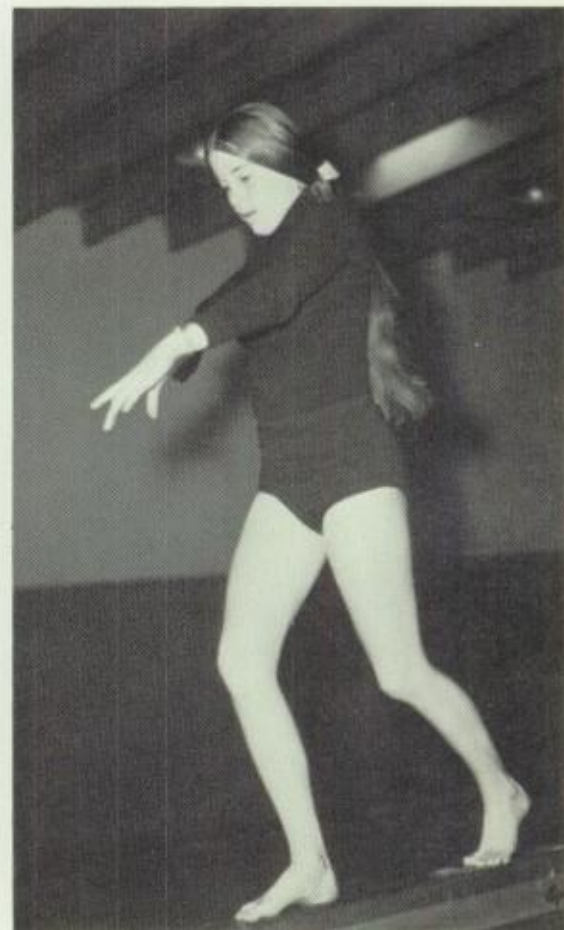

The Girls' Gymnastics team, dominated by underclassmen, showed great talent and potential this year. Two girls on the team qualified for the State Meet. They were Sherry Lyle, who placed second in the District on the uneven parallel bars, and Linda DeFord, who placed sixth in the District in floor exercise.

"This has been probably one of the most rewarding and disappointing seasons that we have ever had, all at the same time. The disappointment was as intense as the pride we had. Those kids really hustled for us. We had some individuals who actually put out three or four years' effort so that this could be a great season. Our team as a whole had more character than any other team in the state. It's all there—read it in the record books: 10-1. We're extremely proud."

Coaches Davis and Windholtz

Due to the determination of the players and the dedication of the coaching staff, our football team finished the year very impressively with a record of 10-0 in regular season play. They won the League Championship and went into the State AAA Quarter finals against Northglenn. Plagued by injuries, the Tigers lost a hard-fought game. Nine of the Varsity players made the All-Conference team, four of whom were chosen for the All-Jeffco first team. Scott Piper and Ty Ver Valin were chosen for the All-Metro team. Ty also was selected to be on the Colorado AAA All-State team, and was named Colorado High School Linebacker of the year. All in all, this proved to be a successful year for the football Tigers.

The basketball team finished one of their most successful seasons this year with a 13-5 record, tying for Second Place in County. In spite of many injuries among the players, they had great spirit and improved as the season progressed. This determination helped them to win that last important league game. By winning over Arvada West, 101-75 they qualified to play in the District Play-offs.

Head Coach, Mr. Amon

"The team played with injuries all esason and despite this problem, they played hard and continued to improve as the season progressed--with a strong Second Place finish in Jefferson County play." Coach Amon

"I think that the season has been a success in several ways-- participation, cooperation, and attitude has been second to none. The hard work and dedication from the seniors carried through to the juniors and sophomores--and although we lost, the desire to improve was always present. The only drawback to the season was that we could not take EVERYONE to state, because I felt they deserved it." Coach Brownlee

Raul Alderete shows his opponet he's a Tiger.

The wrestling team, coached by Mr. Brownlee, finished the season with a 6-5-0 record, placing First in the Wide-field Tournament early in the season. The team placed Third in the District with eight individuals placing, four of whom qualified for the State Tournament. Andy Hinchey won First Place, and Ron Barron, Dave Jackson, and Mike Spiess each won second place in their respective weights in District. Andy Hinchey went on to win Third Place in the State at 145 pounds.

Moviemakers find talent at Lakewood?
Lakewood was chosen out of four final schools in the 50 states to make a \$70,000 academic football film. For five days the varsity football team filmed rules, violations, and penalties. One morning the whole student body also got in on the act. The film will be distributed throughout the United States. It was produced to help officials, coaches, and players interpret difficult rules of the game. The filming took place at the County Stadium on October 4-8.

Boy's State and Girls State

Each year the American Legion and its Auxiliary sponsor Girl's and Boy's State. This year's candidates, Janet Farrar, Paula Vemeyer, Deborah Rechnitz, Marcy Howell and alternates, Lynn Umbreit, Celeste Cavalli, Elaine Headley, Sherri Nelson, and Boy's State candidate Doug Harrison, were chosen on the basis of academic achievement and leadership. During one week of June, the students are involved in various phases of government. They are divided into cities and counties and through campaigns elect students to the offices of mayor, city council and representatives. Students also run for the state offices of governor and senator. During this week they learn how the government is set up and operated on the state and local levels. This past year the Girl's Staters had the opportunity to take over the Senate floor in the Capitol Building where they saw how sessions were run.

This week in June provides fun combined with meeting new friends and a valuable learning experience.

On February 15, 1972, Lakewood High School was involved in its second annual Rap Day. The topics included "The Law and You," "Family Dynamics," "Ecology," "Escapism and Truth." On the whole, Rap Day proved to be a success.

First Gear

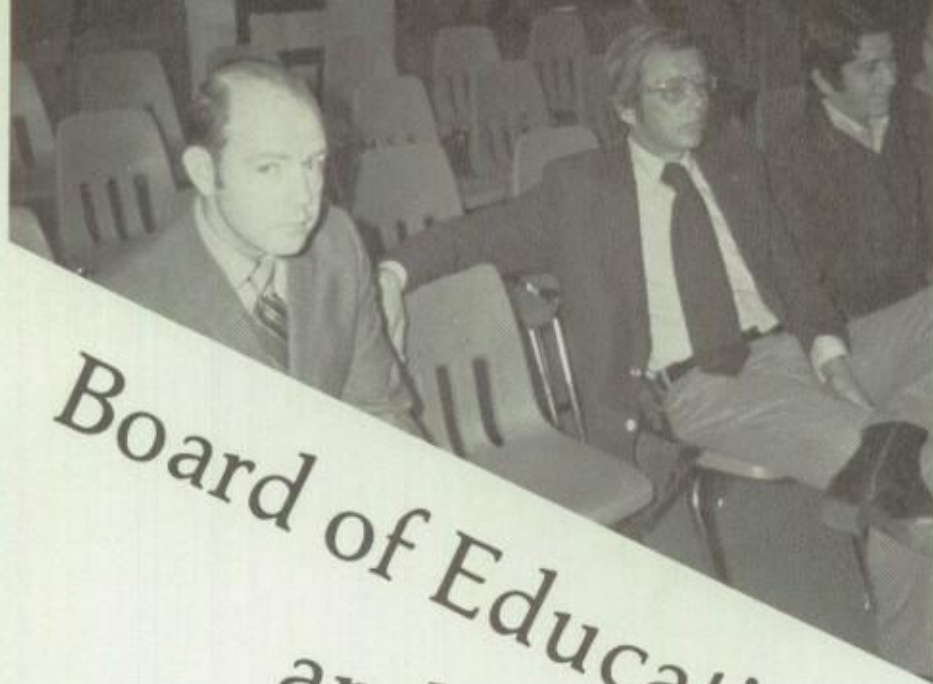

On February 29, 1972, the LHS Auditorium was filled with the outstanding music of the FIRST GEAR. The FIRST GEAR is composed of nine musicians from all over the United States. They really got the students involved in their performance. Led by Larnelle Harris, the group sang such tunes as "Joy to the World," "Bridge over Troubled Waters," "Celebrate," and "He Ain't Heavy, He's My Brother."

The FIRST GEAR was well received by LHS, and their performance will long be remembered.

Counselors

WESTON JOHNSON, Sophomore Counselor.

RALPH PALMER, Senior Counselor.

TOMMY PHIPPS, Junior Counselor.

College? Have you thought about this lately? Why not talk to Mr. Evans and Miss Jensen. These two people are here for that one reason. Miss Jensen can help you select the college best suited for you, help you in applying to the college of your choice, and give you literature about colleges. Then move right on into the next office, Mr. Paul Evans'. His main assistance to you is in helping you select a career. He can give you almost any type of information on almost every career there is. They're here for your use, so be sure to take advantage of them.

There are three more very important people here at L.H.S. who help us go through school. These people are Mr. Palmer, Mrs. Phipps, and Mr. Johnson. Each one of these persons has the duty of counseling one class through the three years.

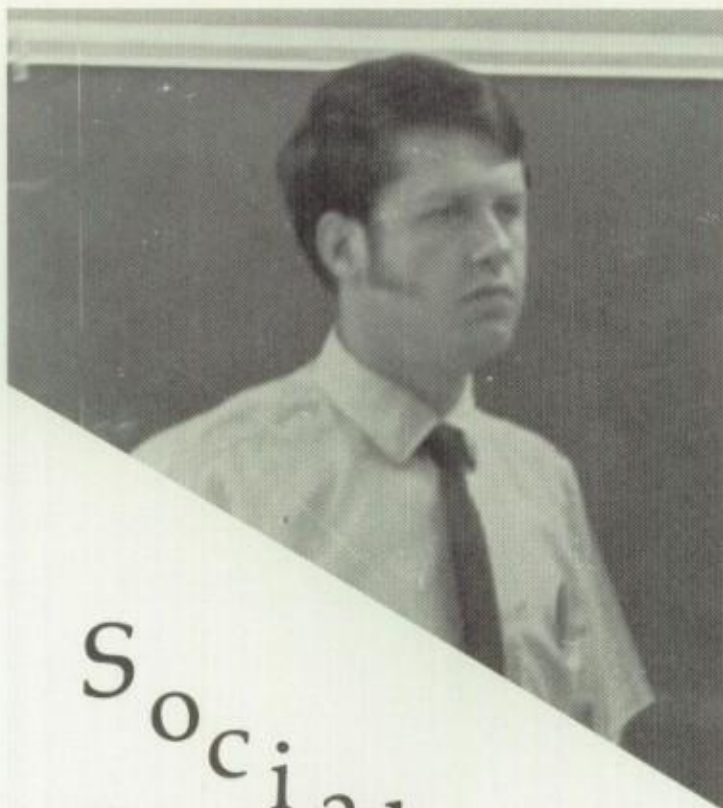

PAUL EVANS, Career Counselor.

MARILYN JENSEN, College Counselor.

Every person coming out of the public high schools must be equipped to function in this world. He must understand the political process so that he may work within it to bring about constructive change. He must understand the great economic issues facing the world, the nation, and his personal life. He must understand the causes of our great social problems and be able to offer rational ideas for solution. Finally, he must understand his personal behavior for his own fulfilling life, and be able to interact with others in a sensitive and respectful manner. These are the ideas that the social studies department is trying to help students realize.

BOB BRYANT, Geometry and Algebra II.

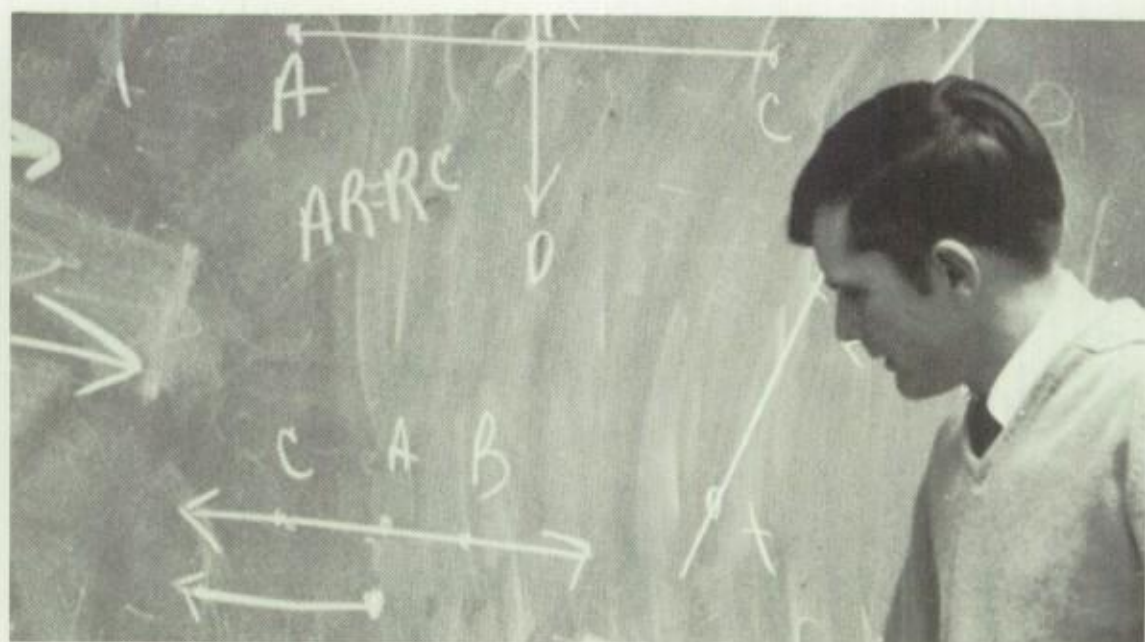

SHERWOOD JENSON, Geometry and Algebra II.

EDWIN OLMSTED, Introduction to Algebra, Applied Math, and Computer.

RICHARD LANSFORD, Algebra II and Trigonometry.

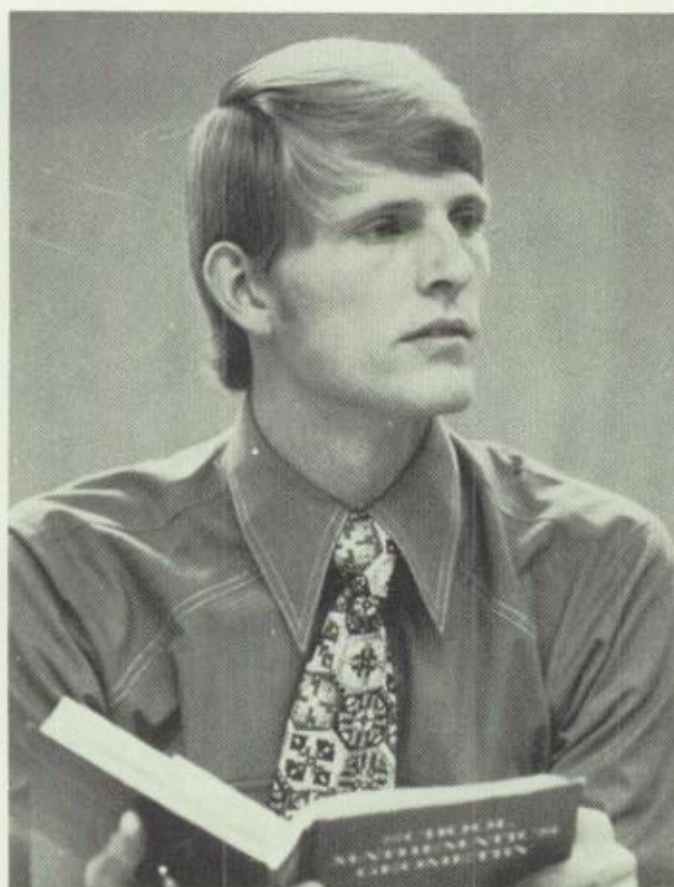

DON OSSE, Geometry and Physical Science II.

Mathematics is a tool. It is an integral part of almost everyone's day to day life. Our objective is to give everyone on the high school level an understanding of the basic fundamentals of mathematics which will allow him to grow and excel in a technological era which is rapidly becoming more and more complicated and making more and more demands upon the citizen.

TERRY KREACHBAUM, Introduction to Algebra, and Basic Electricity.

DOUG QUINLAN, Introduction to Algebra and Geometry.

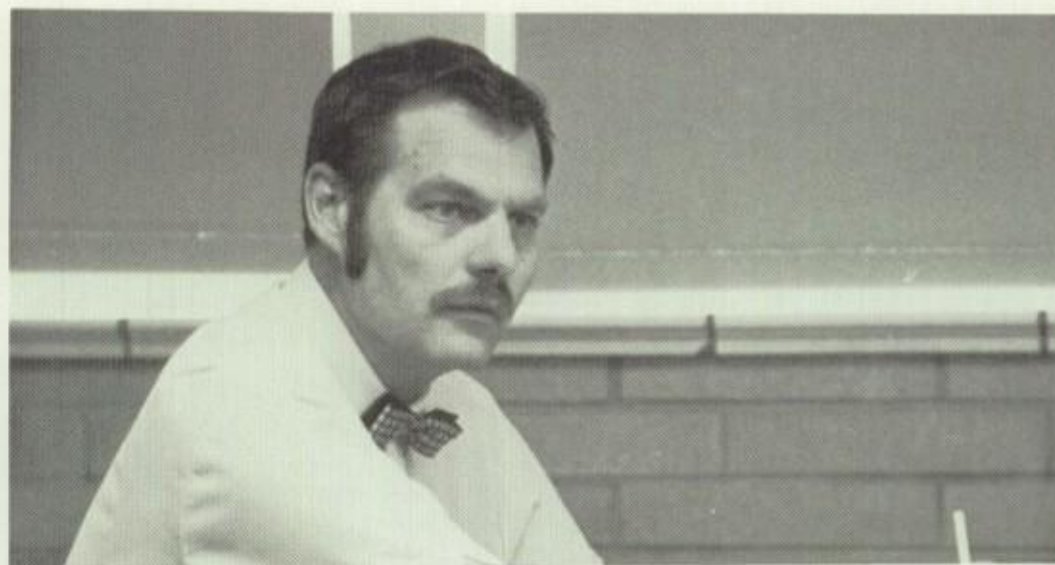

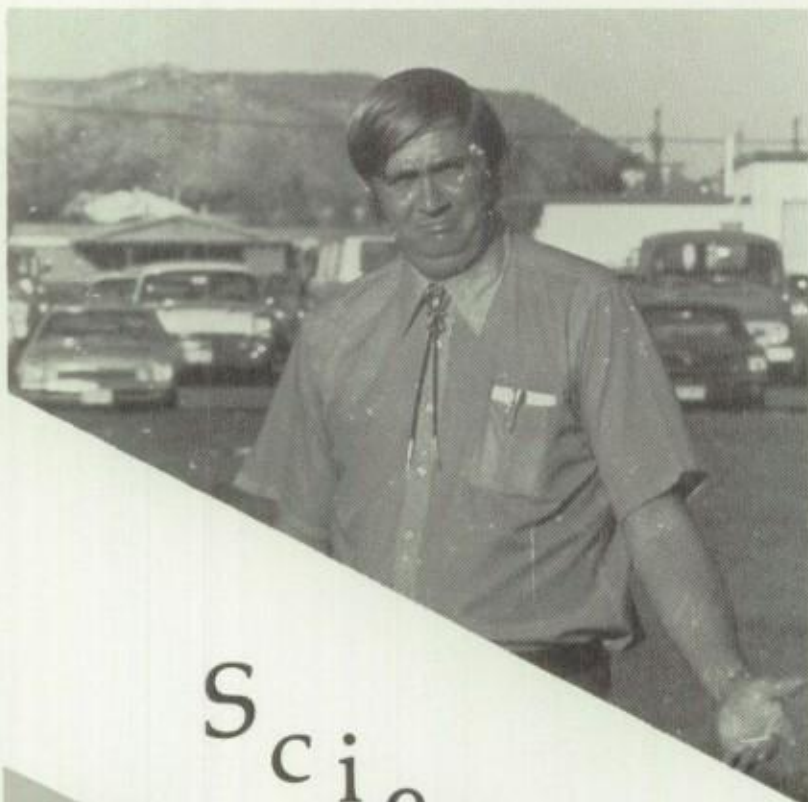

GERALD WINJUM, Algebra I. and Physics.

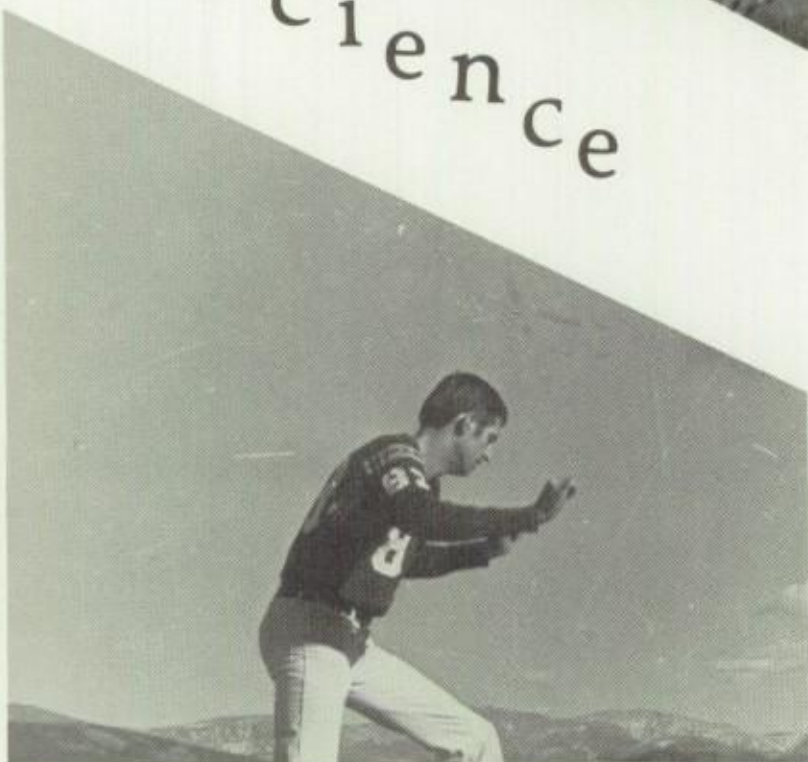

DERALD DUNAGAN, Math Analysis, Probability, and Trigonometry.

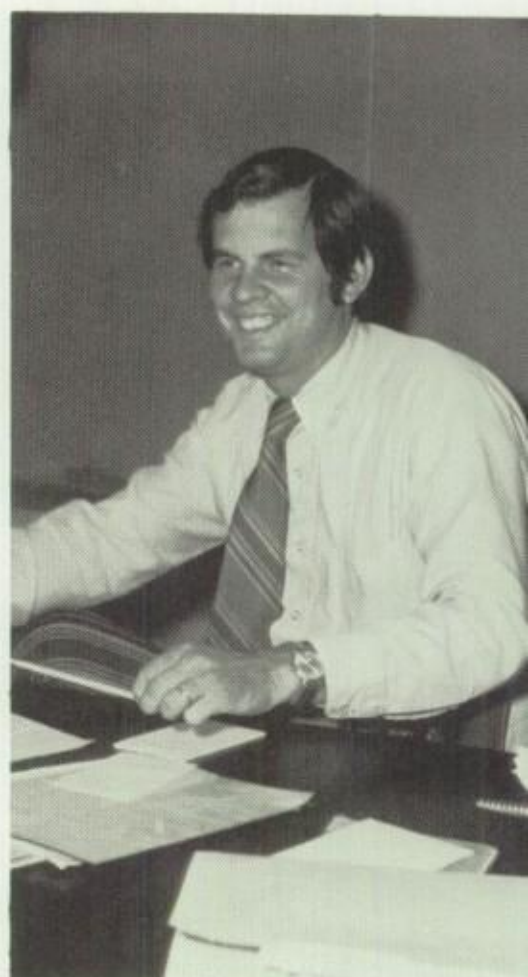

DON GLITTENBERG, Biology I and II.

Science

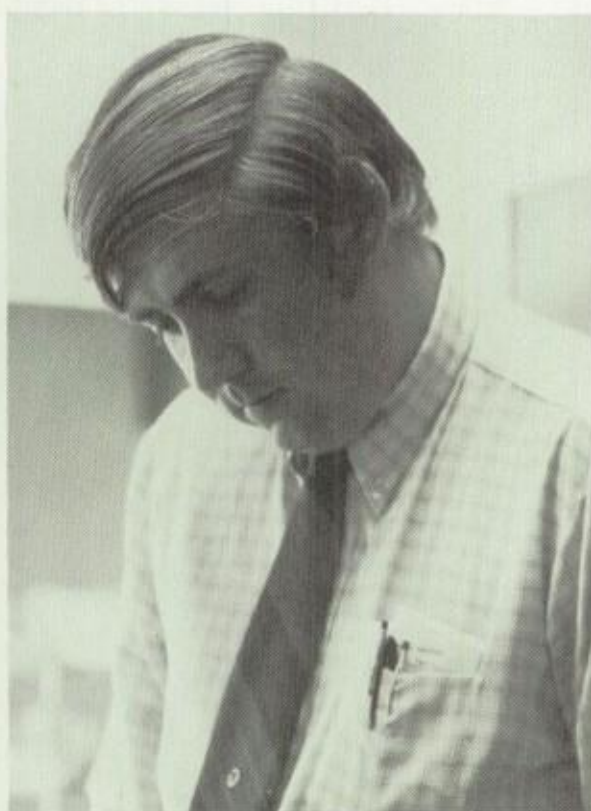

In the science department there are many different types of science being taught, Biology, Chemistry, ECCP, and Physics. Each one deals in a different aspect of science, but in each case they have one goal, to teach the student the process of science. This includes teaching the students how the scientist does his work and then how to use this scientific method.

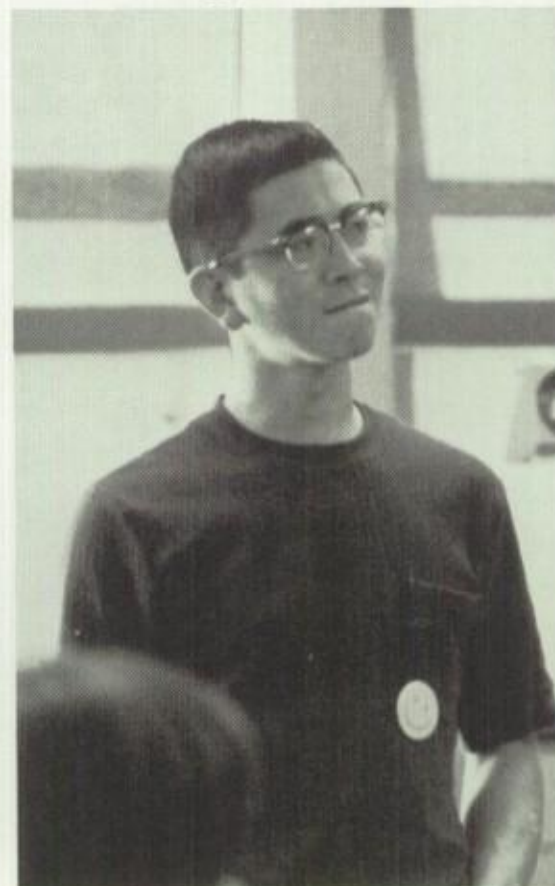

AL AMON, Modified Biology and Biology I.

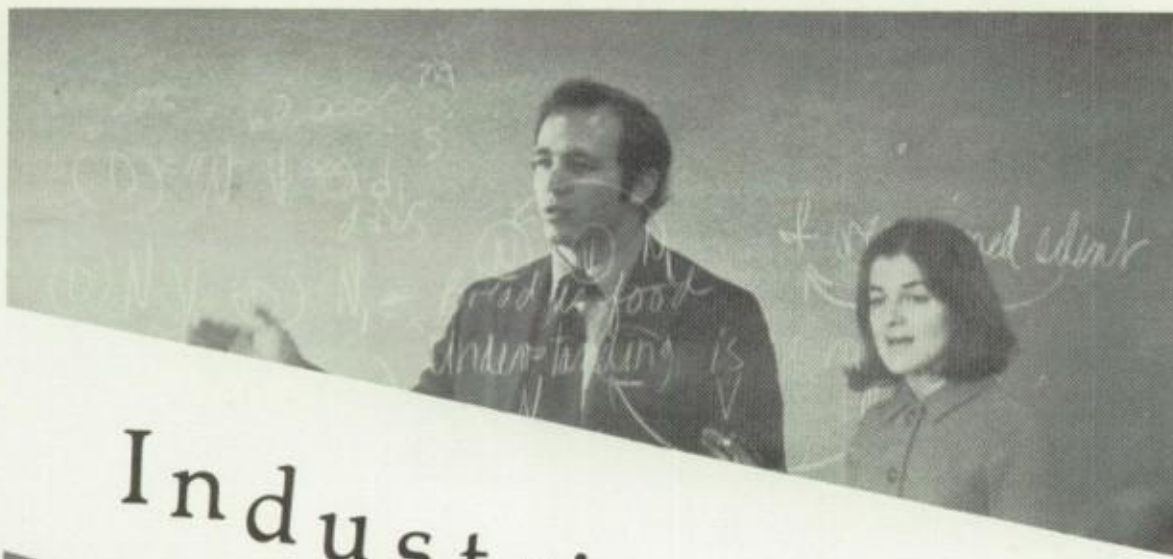

CLYDE AHLQUIST, Chemistry and Biology I.

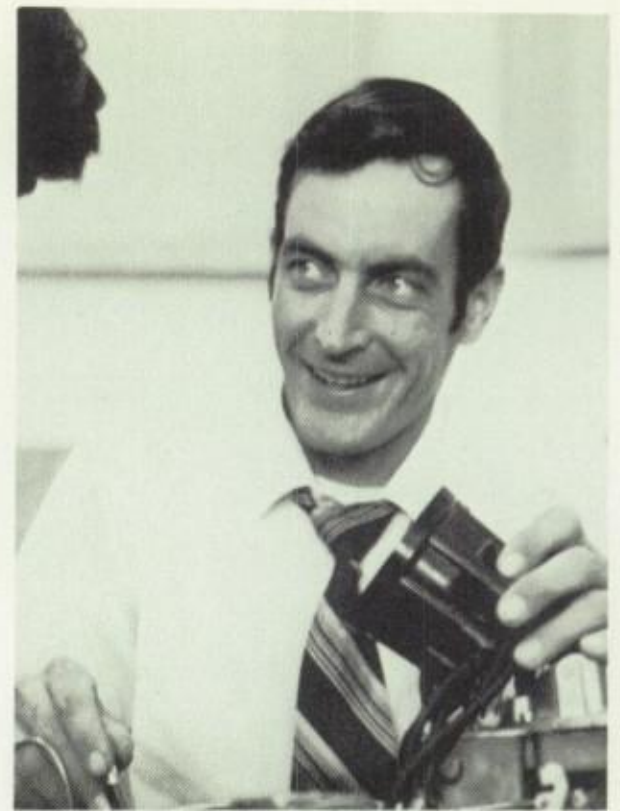

JAMES HODGES, Modified Biology, and Biology I.

RICHARD YAMAGUCHI, ECCP and Physics.

Industrial Arts

ROGER BENYSHEK, Auto Mechanics I and II.

DELBERT WOELFLE, Woodworking and Plastics.

The Lakewood High School Electricity, Electronics program, part of the Industrial Arts department, is designed to fill the needs and desires of most students who are looking for a background in this area of technology. The program is loosely structured and allows for each student to work toward his own goals which may range from house wiring to Computer Electronics. The first year is spent in learning the basics of Electricity while the second year is directed toward Electronics. Electricity is the study of Electrical Energy and Electronics is the study of the application of that power in a more technical manner and covers the used of transistors and vacuum tubes.

TERRY KREACHBAUM, Electronics and Introduction to Algebra.

The English Department is continuing to refine the elective and required course program, by giving sophomores basic skills in reading literature, writing sound compositions, and speaking well. Upper classmen continue a balanced program of language, composition, and literature in nine week or semester courses, making choices to fit their future plans and achievement-ability levels. Teachers instruct in areas of strong interest and preparation. The result is, hopefully, a realistic, exciting program.

Foreign Language

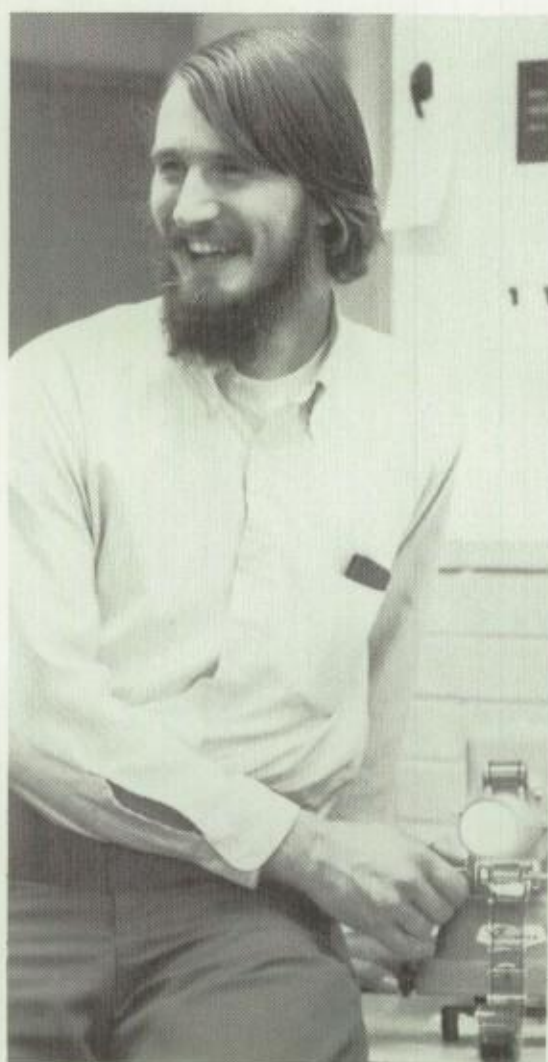

MICHAEL HUSSIE, Spanish III and V.

BEULAH ADAMS, LATIN I, II, and English.

MARJORIE LEVIS, French II, III, IV, and V.

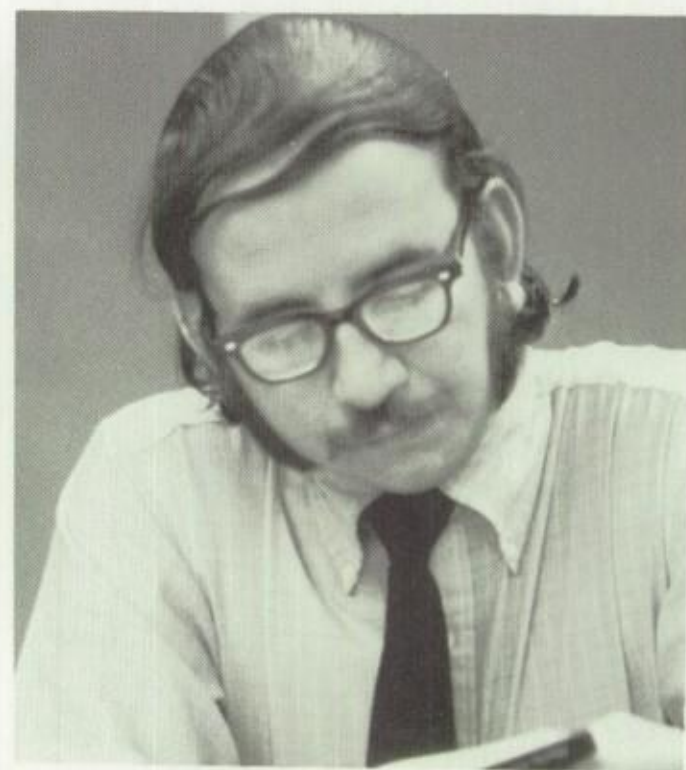

TERRY KILLION, German I, II, and III.

The principle goal of the Foreign Language department is to teach enough language skills so that an individual can participate in a foreign culture, and operate efficiently in the country. By knowing the customs of the country along with the language an individual will be able to communicate effectively with the people of the country.

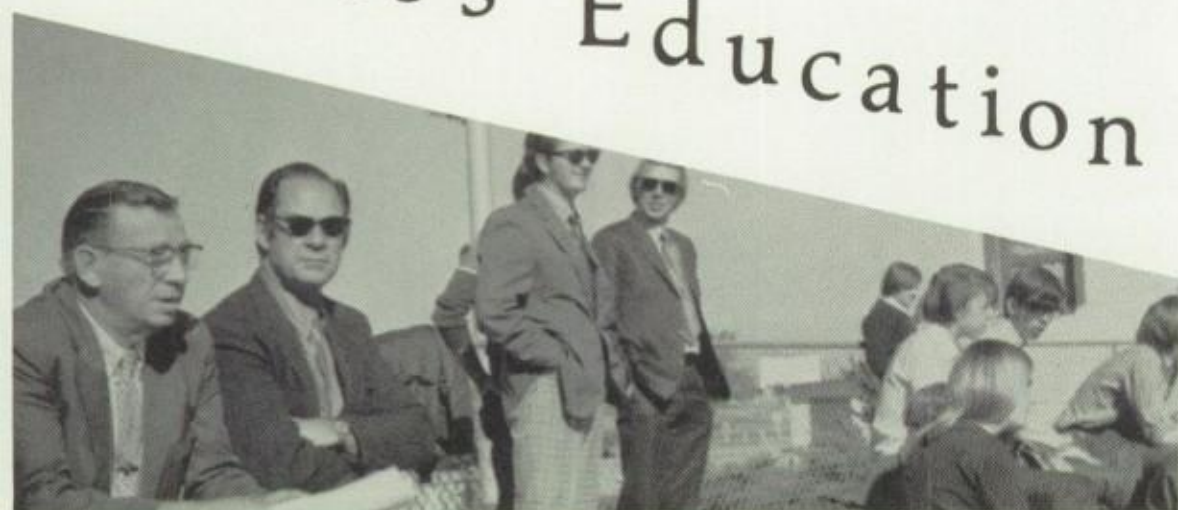

JAMES BAHRENBURG, Spanish I, II, and IV.

GARY HURST, Russian I, II, III, IV, ECCP and Chemistry.

Business Education

Business Education provides the opportunity for students to become competent in dealing with everyday economic issues and problems through such courses as business math, business law, and consumer economics.

Students also have an opportunity to acquire marketable skills for entrances into a vocation in business by enrolling in typewriting, bookkeeping, shorthand, and office occupations.

GOLDA LANGE, Advance Office Occupations, Shorthand II, Secretarial Practice, and On-Job-Training.

WILLIAM SCHMITZ, Distributive Education I and II, Consumer Economics, and On-Job-Training.

Fine Arts

ELEANOR PENDLETON-Arts, Crafts,

JANEY KUNEY-Art 1, Arts and crafts, Ceramics and Sculpture and English.

The fine arts department of the school works on improving the special talents of the students. In the music department, besides the several mixed choruses, there are also special groups including A Cappella, Girls Glee, Serenaders, Continentals, Grace Notes, and Whiffenpoofs. The courses in this department are all electives so that a student may enroll in the class that best suits his talents. Tryouts for the special music are required.

Also in the fine arts department is art. In Art I and II basic principles of drawing, painting, sculpture, and ceramics, and two- three-dimensional design are introduced. The other classes in art are all specialized in one of the areas. In one area concepts of commercial design are introduced. All art classes emphasize art as a visual communication from artist to viewer.

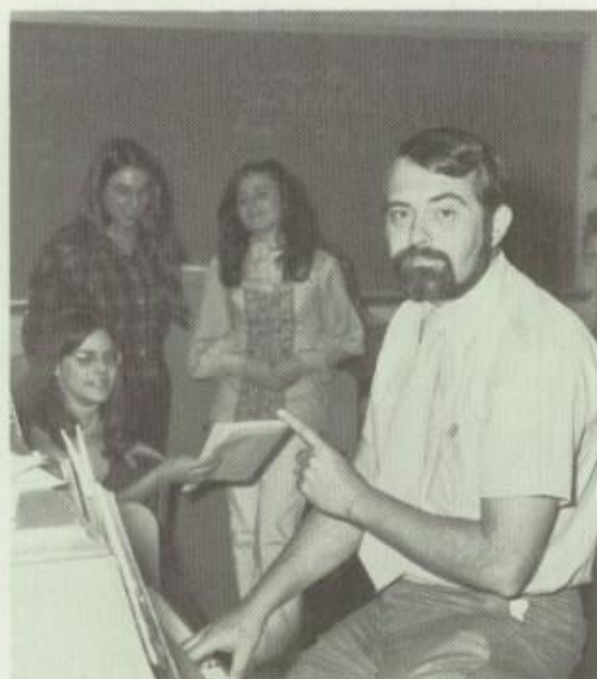

MIKE PEARCE-Band, Ensemble, Beginning Instruments, Guitar, and Orchestra.

RUTH LUCHAU-Art I and II, and Advanced Painting and Drawing.

PEGGY KERR-Guitar, Theory, A Cappella, Mixed Chorus.

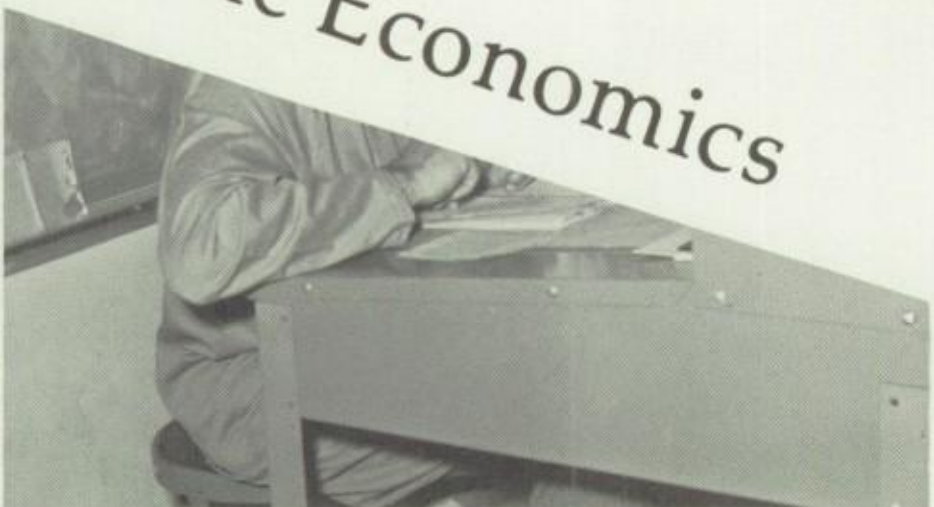

LELAND ANDRES-Mixed Chorus, Guitar, and A Cappella.

KEN CATON-Mixed Chorus, Girls Glee, and Guitar.

Physical Education and Home Economics

JERRY DAVIS, Boy's P.E.

SARAH RIGGS, Bachelor Survival, Food I and II, Home Furnishings, General Sewing.

Physical Education is the part of education which contributes to the development of the individual through natural and continued movement.

Physical education should provide a laboratory where meaningful, physical experiences will contribute to the development of the physical, intellectual, social, and emotional health of the student. In short, a student in Physical Education will learn by doing.

Consumer and Homemaking Education courses are offered for all students in LHS.

The goal for the department is to offer courses of interest and appeal to the students of Lakewood High School that give each a chance for personal satisfaction and success. Much individualized instruction takes place, and the students show great creativity in their work.

KYLE BROWNLEE, Boys P.E.

PHYLLIS VINCI, Basic Sewing, Creative Sewing, Basic Foods, Creative Cooking, Bachelor Survival, Foods I and II.

SHARON WEBER, Girls P.E.

Custodians

MR. JAKE-SCHWARTZKOPFF AND MR. DON JONES, Head Custodians

The custodians and cooks are two valuable groups of every school. The cooks are responsible for the lunches served every day and the custodians keep the school in good running order. Without either of these groups, there may not be a school.

Bottled up emotions with no place to go.
Kept under wraps.

Afraid to be seen.

Afraid to be found out.

Afraid to be human.

Dark is the rainbow, loud the sky
when emotions are not shown or felt.

Untouching,

Unfeeling.

Unheard.

Waiting for the time when they can spring;
To be able to say:

I

AM

HERE.

That moment, that instant of expression, when
feeling is finally shown and presented,
there is a sensation,

an impression,

extravagantly colored.

For the world is hollow and I have touched
the sky.

The Individual Has Many Facets...

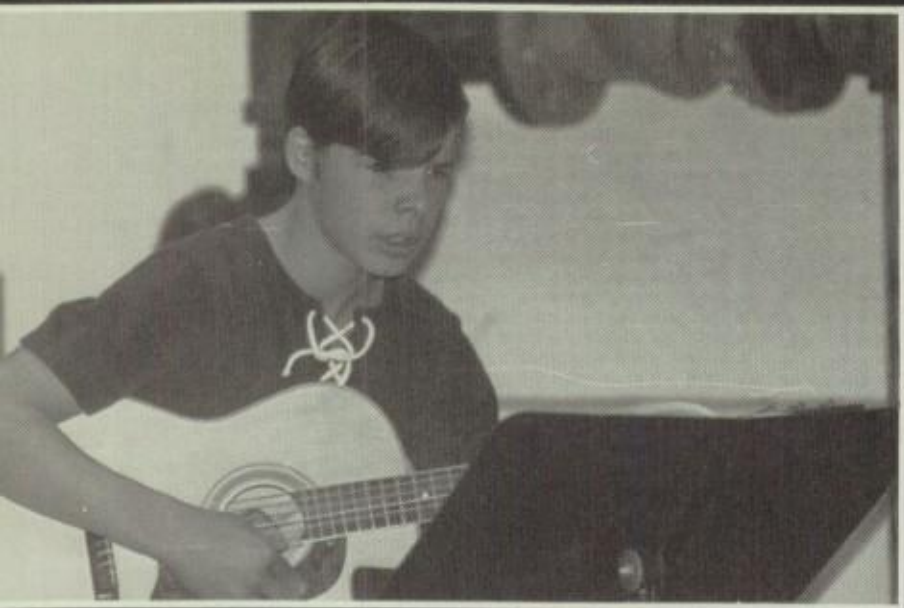

his moods and emotions
are ever-changing

he feels what he experiences

and he experiences much

he knows the value
of solitude

yet enjoys the
excitement of
friends

he feels
satisfaction in
doing

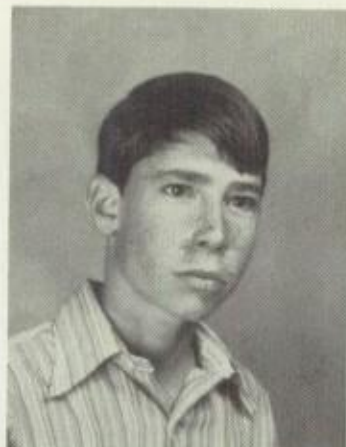

pride
in creating

tension in competing

SOPHOMORES '74

the individual is unique

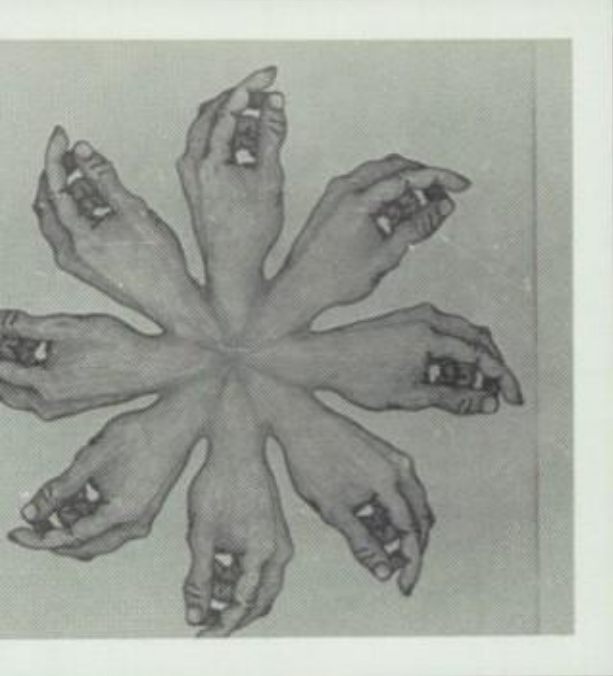

his interests
are
his own

and his skills are
what he makes them

every

thought,

word,

and deed

reflects himself

because of this,

he is someone special

he doesn't need to follow the crowd

he stands alone

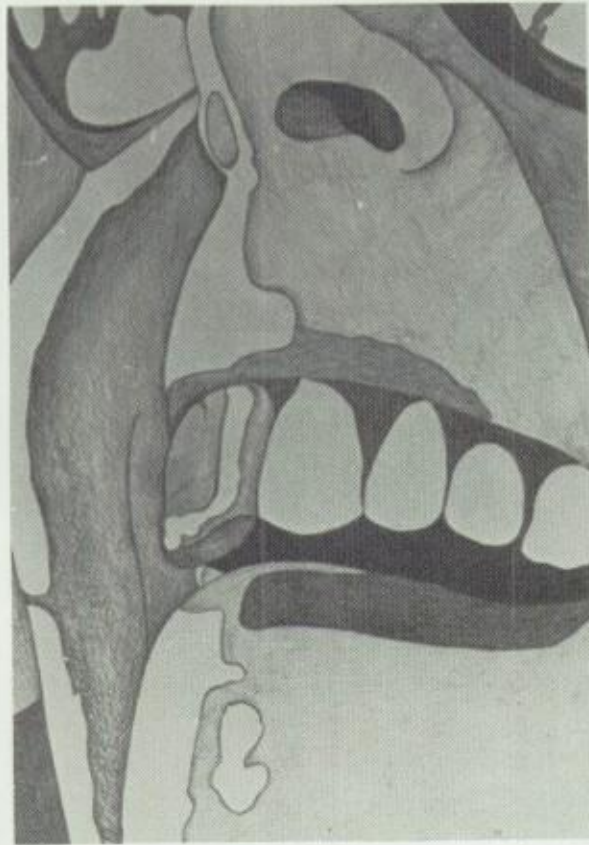

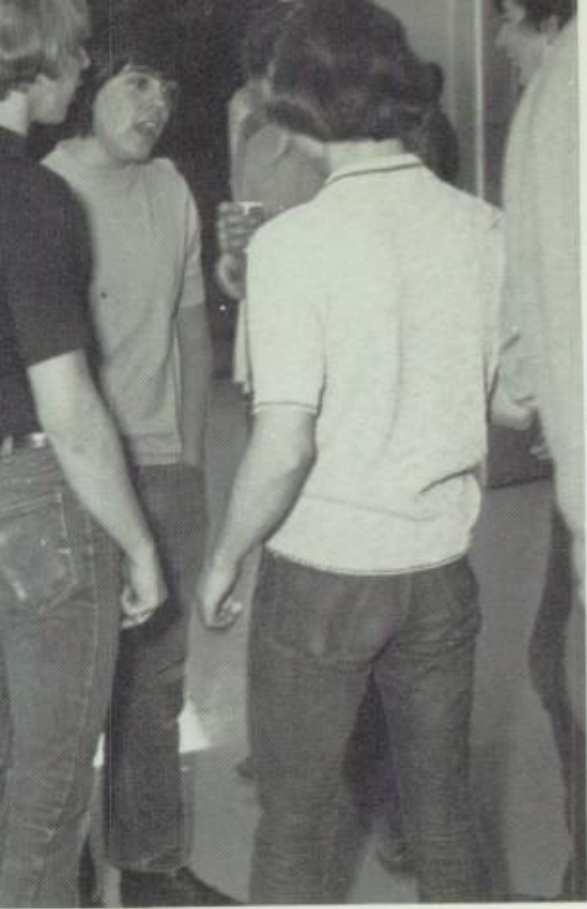

he sets his own goals

and works

to attain them

he is
the
person

he
determines

himself to be.

ACKNOWLEDGEMENTS

the 1972 lahian staff

gratefully thanks the following people
for their generous and gracious services.

Jafay Photographs,

for superb pictures.

Lakewood Camera Center,

for developing and printing pictures.

Marty Botham,

for taking those pictures.

Lakewood Booster Club,

for the wide-angle and telephoto lenses.

Mr. Sam Piper, Piper Portraits,

for giving up his days off to take pictures for us.

Deb,

For us being so close
and never seeing you all
have to say is were
th crazy. Lohan was
ally fun and so ~~were~~
s going to the football
games. Lets try and see
ch other this summer
and lots next year. You've
ways been a great friend
and always well. Lot of
luck in everything and
God Bless ya.

Love,
Audrey

Dear Debbie -
Well, out of your 4(?) classes
was in 3 out of them.
Aren't you lucky? History has
been just oh so much fun,
not to mention Biology with
good ol' Happy Hodges! And
last but not least - LATHAN!
She did a great job on the
book, huh? Well, have fun
this summer and stay out
of trouble & we'll see ya
next year.

Love,
Julie
